

About Us...

We understand that once you make the decision to sell your home you want the process to be as quick and painless as possible--while ensuring that prospective buyers "see" the value of your home.

We are committed to helping achieve your home sale goals within the time frame you need and within your budget. And since we rely on referrals and **glowing testimonials** from our clients to build our business, customer satisfaction is our top priority.

Since 2007, the Lemon Tree Staging team has been staging area homes that sell...fast! In addition, Susan Campbell, owner and CES (Chief Executive Stager) has 20 years of experience in professional project management, marketing and sales.

We love what we do and it shows in our consistent quality, attention to detail and client satisfaction.

We welcome the opportunity to work with you to help sell your home as quickly and profitably as possible.

"Lemon Tree Staging" Makes the Difference

"My vacant townhome had great views and a lot of potential. But in its vacant condition it just wasn't getting offers. Lemon Tree worked quickly to oversee a few key improvements and staged the entire home. As soon as it was shown in its new condition, I received credible offers that turned into a quick sale."
